Holiday Report 2026

This year we have enjoyed two holidays, the first with 23 members to the Cinque Terre in Italy staying in Bonassola, a village near the five villages that form the name of the area.

Two walks were offered each day with the majority choosing the shorter but by no means easier walks. All of the walks proved a test of our fitness levels and I'm pleased to say if this was an exam we all would have passed.

The terrain was testing at times and am pleased to report we only had one hospitalisation when one member slipped on rocks and suffered a few injuries but was able to join us at the end of the evening meal.

Our second holiday took 16 of us to the Brecon Beacons in early July. Three walks were offered each day which gave all of us a good walk as well as the opportunity to explore the area under our own steam.

Next year we have two holidays again, the first to St Ives in Cornwall in early June. There are currently 9 of us on this trip and we now have a single room space available.

In September, 24 of us will visit the Seefeld Plateau in Austria. This holiday proved slightly challenging as the hotel only released 4 single rooms but with the adaptability of our members we were able to accommodate all.

All of these holidays were booked through HF holidays and are guided.

We will look forward to next years adventures.

Ed Berridge

Holiday Co-ordinator.
